

LEADING THE FUTURE OF
LIGHTING + TECHNOLOGY

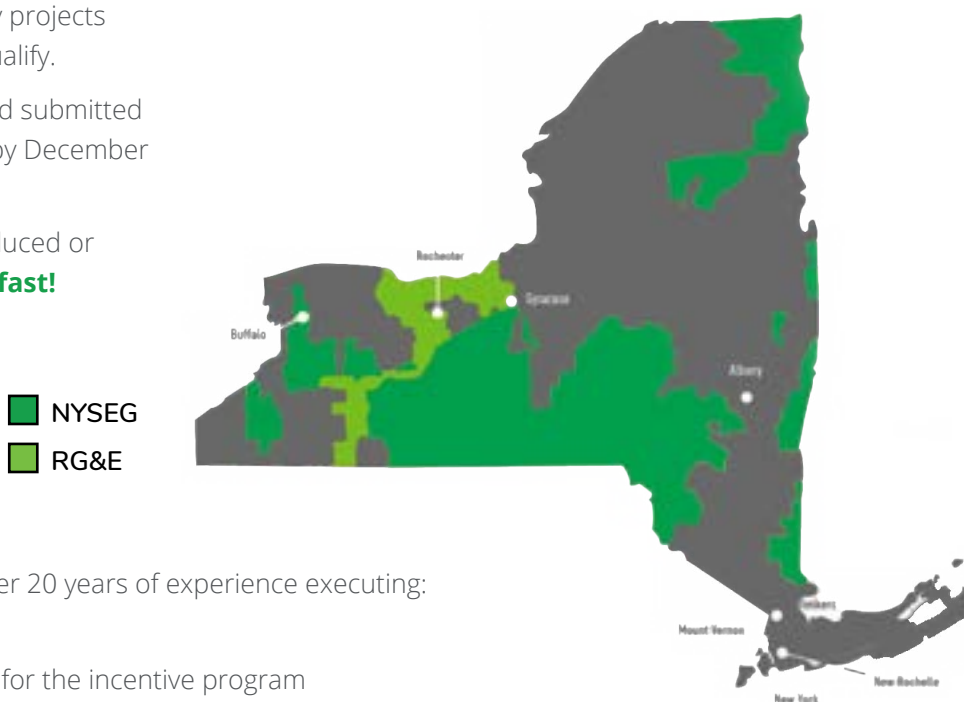

NYSEG + RG&E Bonus Rebate Program

New York State Electric and Gas (NYSEG) and Rochester Gas and Electric (RG&E) Commercial and Industrial Rebate Programs are launching a limited-time 40% rebate bonus for eligible electric projects. When you add the bonus, your total rebate can be as high as 10-15% per project.

Program Specifics

- Eligibility starts May 6, 2025—only projects submitted on or after this date qualify.
- Projects must be fully installed and submitted with all required documentation by December 1, 2025.
- Funds are limited and may be reduced or eliminated once exhausted—**act fast!**

NYSEG + RG&E Service Territory Map

EMC Does the Work

As your turnkey provider, we bring over 20 years of experience executing:

Determining your eligibility for the incentive program

Working with NYSEG + RG&E to determine your expected incentive level

Managing the logistics of your project through completion

Completing and submitting the paperwork necessary to redeem your incentive payment

Next Steps

Contact EMC and we'll assess your project for eligibility. If it does qualify, we'll complete and submit the preapproval documentation and start the EnergyMAXX® process to take your project to a successful completion.

LEADING THE FUTURE OF LIGHTING + TECHNOLOGY

MAXXimize Your Lighting

EMC's turnkey project management approach, EnergyMAXX®, has helped our customers maximize the results of each project phase—from multisite energy audits to maximizing utility savings with energy rebates and incentives—bringing an immediate and positive impact to their bottom line.
