

## DTE Bonus Rebate Opportunity

DTE is offering a robust bonus rebate opportunity for projects completed by November 30, 2025. With LED conversion rebates being phased out in other markets, this may be your last opportunity to reduce project costs.

### Program Specifics

- Brighten up your savings with up to 20% bonus rebates on interior and exterior lighting
- Applications must be submitted by **September 30, 2025**
- Projects must be completed by **November 30, 2025**

## Why You Should Act

- Bonus rebates are offered for a limited time
- Rebate budgets are limited
- Lighting rebate phase outs are becoming more common as lamp bans continue to expand

## EMC Does the Work

As your turnkey provider, we bring over 20 years of experience:

Determining your eligibility for the incentive program

Working with DTE to determine your expected incentive level

Managing the logistics of your project through completion

Completing and submitting the paperwork necessary to redeem your incentive payment

## Next Steps

Contact EMC and we'll assess your project for eligibility. If it does qualify, we'll complete and submit the preapproval documentation and start the EnergyMAXX® process to take your project to a successful completion.

# LEADING THE FUTURE OF LIGHTING + TECHNOLOGY

## MAXXimize Your Lighting

EMC's turnkey project management approach, EnergyMAXX®, has helped our customers maximize the results of each project phase—from multisite energy audits to maximizing utility savings with energy rebates and incentives—bringing an immediate and positive impact to their bottom line.

The EnergyMAXX Process ensures your lighting retrofit's success by maximizing results in each project phase:

### Prioritize

Target spend efficiently for your lighting projects

### Audit

Ensure a strong foundation for decisions and installation

### Design

Select the best fit and performance for your facilities

### Incentives

Receive maximum value and drive lowest initial cost

### Logistics

Coordinate to support daily business and project needs

### Installation

Complete as scheduled with a comprehensive and clear scope

### Service

Maximize long-term value of your new lighting systems
